GENERAL CONDITIONS & INFORMATION

Total Immersion®, Compact Courses, Full Day Crash Courses, Half-Day Private Courses, Mini-Groups and Combo Courses are all part of the Berlitz Study Abroad programme offered by Berlitz in London and the following conditions apply to students enrolling on these courses:

1. On acceptance of the booking application by Berlitz a deposit is payable. This must be for at least 10% of the course fees, plus the charge for any home-stay arranged for the first two weeks of the student's stay.
2. The balance of all course and other fees must be received one week prior to course commencement.
3. The course may subsequently be cancelled by the student/client provided Berlitz receives an email informing the centre of cancellation before midnight (UK time) on the Wednesday before course start date. Once a course has started no cancellation may be made. Days cancelled with less than this notice will be charged as if attended by the student.
4. In the case of home-stay, two week's notice of cancellation is required to cancel at any time and no refund can be made where such notice of cancellation is not received.
5. Fees charged are inclusive of a course registration fee of £75 and where accommodation is arranged by Berlitz a booking fee of £50. In cases of cancellation at any time neither is refundable
6. For students below the age of 18, Berlitz is unable to offer group tuition, nor is it able to arrange accommodation. Students under 18 may be accepted for private tuition and are subject to safeguarding procedures as per English law. Students under the age of 16 must be accompanied by a parent or guardian who must remain at the Berlitz centre while tuition takes place.

The following conditions apply to students attending all types of courses at Berlitz:

7. Each lesson given lasts for 45 minutes, inclusive of a 5 minute break between lessons.
8. Enrolment on a Berlitz course implies an obligation to abide by the regulations.
9. Berlitz does not accept responsibility for any loss or injury however caused and students as advised to arrange travel and health insurance for the period of their course.
10. The student consents to the monitoring for pedagogical purposes by supervisory personnel.
11. All arrangements with regard to the course must be made with Berlitz (or their agent) and not with teachers.
